

Test

```
graph BT; Fixture[Fixture] --> Test[Test]
```

A diagram illustrating the relationship between a Fixture and a Test. A light gray rectangular box labeled "Test" is positioned at the top. A dark blue arrow points vertically upwards from a gray rectangular box labeled "Fixture" at the bottom to the bottom center of the "Test" box. The "Fixture" box has a thick black border, while the "Test" box has a thin gray border.

Fixture
